

STREET MACHING BOOKING ENQUIRY

Thank you for enquiring about booking the 96five street machine for your event.

Who is 96five?

96five is a Brisbane Community station with studios located at Alderley. 96five has a staff of over 22 and also have many volunteers who work at the station. 96five reach over 220,000 listeners every week broadcasting right across South East Queensland. The station's positive format makes 96five unique in radio broadcasting and the reason why many people are tuning in to the station. 96five is family's number one. The format is pro-family with no swearing, no crude lyrics in the music and no cynicism, making 96five 'safe' to play in the car with kids. The announcers are positive and uplifting and the programs include segments devoted to family well-being,

96five street machine visits.

The 96five street machine visit involves 96five staff and 96five street machine to visit your event for a period of time. At this visit staff will be giving out balloons and stickers to those attending the event. Subject to availability staff will run games and hand out prize packs. Depending on the volume of people on the day the team may choose to hand out some additional product at the visit. These things should be discussed prior to the day.

Relevant Staff Qualifications: All 96five staff and volunteers hold a Blue Card.

Duration: 2 Hours including set up and pack down.

To continue the booking process please complete the attached form and send it back to us at 96five. Once we have received your booking form we will confirm if we can go ahead with this booking.

..... mobile phone number:

Expected Event Attendance:

Time of street machine (2 HOURS including set up and pack down) :

Is there power available for us to use:

Change room for ROMEO (what will this be)

Information about the street machine visit

- 96five will require approx 4m x 4m area to set up.
- The street machine visit is for one hour with a half hour either side for setting up and packing down.
- This location should be easily accessible from the road and safe for pedestrians
- There should be clear access for the vehicle on arrival and departure
- We will require power to the vehicle.
- We are covered by our own public liability insurance
- This is a free service that we offer and often manned by our highly trained Volunteers.

96five's Mascot Booking information:

For your event we will be bringing along Romeo the Radio Dog. He is a playful and gentle character and will be dishing out the hugs at your event. Romeo the Radio Dog will be available for 45 minutes during our visit to your event.

We will require:

- A change room that is out of view from event goers- this needs to be as close as possible to the street machine.
- **Public toilets are not a great option an office is most ideal.**

Thanks for taking the time to get this information to us. This will ensure a fantastic event. Once we have received this information a member of the street machine team will be in contact with you to finalise all the details.

We look forward to attending your event.

Regards, Beth Doyle
